Brave Reader Certificates & Brag Tags

All ages · PreK–4

Six awards to cheer on brave tries and kind choices, each as a full-page certificate and as brag tags (10 per page). Names and dates are written by hand.

How to use

- Print certificates on plain or card stock.
- Fill in the name, date, and a specific detail by hand.
- Brag tags: cut out, punch the hole, and add yarn, a ring, or a safety-pin clip.
- Give awards often and for effort, not only results.

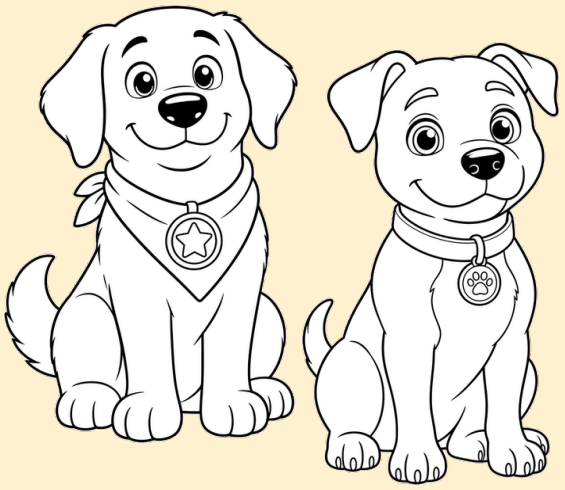

Praise ideas

- **Ages 4-6:** keep it short and say it out loud: "You tried a new word!" "You helped a friend!"
- **Ages 7-10:** add a specific detail on the line, e.g., "for including a friend at recess" or "for sounding out a tricky word."
- Connect to the story: "You were brave like Sarge!" "You noticed a friend's feelings, like Arwen!"
